Year 11 & 12 (Sixth form)

- implementation of CLIL modules in 2022/23
- Geography course
- further content subjects later
- forms of certification open

Year 7-10

- CLIL modules in content subjects such as Geography, Biology, Ethics, Religious Education, Physics, Chemistry, PE, History, Politics
- several modules as continuum
- grades in content subjects
- assessment focus on content, feedback on English language use
- school's certificate (designed by M. Jurgowiak)

End of Year 5

- 2 lessons on the solar system
- registration for CLIL preparatory course in Year 6

Year 6

- preparatory courses (3-4 each year): one lesson a week
- topics, e.g. body parts, the Romans, water animals, volcanoes, ...
- tests & grades (but just for pedagogical and informative reasons) - not mentioned on school reports
- end of Year 6: recommendation by teachers (CLIL, English, German, Maths and form teacher)
- fully recommend, partly recommend CLIL tuition beginning in Year 7 or no recommendation
- registration for CLIL tuition in Year 7
- if needed - "drawing the lots" - because of capacities
